

AFTERSCHOOL ART CLUB - KS2 UPTON ROAD

LET'S MAKE ART is an independent organisation run by artists and educators Alice Hendy and Karen Davies. They are Artists in residence at the Arnolfini, and they collaborate on many projects enabling them to deliver their ideas to a wide variety of venues nationwide, including; schools, museums, art galleries, fashion houses, magazines and festivals providing immersive activities that are unique and vibrant. To see what they get up to please visit here - www.instagram.com/letsmakeartuk

"Karen and Alice, provide high quality arts education for all ages and abilities with an emphasis on cheeky, flamboyant outcomes parents will want to frame rather than recycle!"

The Art Club at Ashton Gate Primary School began in 2015 by Let's Make Art to provide a multi media arts programme for key stage 1 and 2. Exploring all aspects of making, art literature and history and experimenting with diverse materials and techniques. We value young people as natural artists who have freedom of expression and we aim to create a space that allows for this precious state to flourish and elevate children's art to the status it deserves.

KS2 - MULTIMEDIA ART and DESIGN - THURSDAY TILL 4.30PM TERM 1 - 6 WEEKS - 16/9/21 to 21/10/21 - £51.00

Each session we study an artist or art movement. At the start we will discuss the chosen artist and techniques used and look at the examples of artwork together. The activity will involve a personal interpretation of what we show. Art helps children with the development of motor skills, language skills, social skills, decision-making, risk-taking, and inventiveness. The study of art produces creative thinkers. Being able to think on your feet, approach tasks from different perspectives and think 'outside of the box' will distinguish your child from others.

Activities include; paper mâché, collage, drawing, collaborative painting, watercolour, sketching, printmaking, stitching, sculpting, graphics, cyanotypes, theatre and fashion design.

Please go to our box office link for more information and to book your child's place.
