Bristol Old Vic

Year 6 had a great trip to Bristol Old Vic this week to take part in a story-telling workshop with renowned story-teller Jan Blake. She told us riddles, wove a tale which kept us all entranced and answered questions from the audience about her career. It was really interesting. We were lucky enough to be offered a free workshop following this trip. On Thursday, Jan Blake came and worked with a group of children in Y6 to develop their story-telling skills. We would like to extend a big thank you to 'The Children's Bookshow', who made this possible and Jan Blake for sharing her expertise with such enthusiasm.

Permanent Change of menu

For Term 2, there will be a couple of permanent menu changes.

Thursday of Week 1. The menu choices will now be Sweet and Sour Chicken with rice or Sweet and Sour Vegetables with rice.

Friday of Week 2. The menu choices will now be Fish Fingers or Vegan Sausages.

Jacket Potato—EY & KS1

We are now be able to offer jacket potato on the Ashton site on a Tuesday and Wednesday. You will need to pre order this the week before. A link will be sent out on a Wednesday for you to order your child a jacket potato for the following Tuesday and Wednesday. This order will close on a Friday at 1pm.

After this time you will not be able to place the order.

ASHTON GATE SCHOOL IS INVITED TO THE SCHOOLS TRIATHLON 2024

The Schools Triathlon is the largest sports fundraising event for children in the UK. Since 2015, more than 25,000 children have raised over £3.4m for Restless Development and 100s of different charities chosen by participating schools. As part of a team, children of all abilities are invited to take on the challenge of swimming, running and cycling to raise money for charity.

When? Sunday 5th May 2024

What is Involved in The Schools Triathlon?

Teams of 4 complete the course as a relay. Each team member will swim (50m / 100m), cycle (1km / 2km) and run (750m). The distances will depend on the child's year group which are split as follows:
Years 3 & 4 will participate together, as will Years 5 & 6. Years 7 & 8 will complete the longer distances together.

How Can My Child Enter?

- Create a team of four children
- Choose a team name (the more creative the better!)
- Elect one parent from the team to enter the whole team into the ballot for the event (you will need all participant names and their parent/guardian's email)
- You will receive an email to confirm you have entered your team into the ballot (NB: if you did not receive an email your entry has not gone through)
- If you are successful in the ballot, each participant's parent/guardian will then be emailed directly to complete their child's registration
- The team's place is only secured when all members have completed registration
- **Hoodies are available to preorder during registration, or can be purchased on the day of the event**

Important Information

Your school's deadline for entering the ballot is Friday 24th November 2023.

Due to the high demand for places and limited capacity at the venue, each participating school is limited to a set number of teams.

We aim to notify teams within 3 weeks of your school's deadline.

Where? Clifton College

Who is Invited?

Anyone in Years 3 - 8 can enter
All abilities are invited to participate!

RESTLESS DEVELOPMENT

Fundraising

Each participant must fundraise a minimum of £50, with a target of £100. This can be done through JustGiving. The first £50 raised by each child will go to Restless Development as the organising charity. The second £50 raised will go to your school's chosen charity. Anything raised over £100 will go to Restless Development.

Restless Development

Through education and training Restless Development develops young people's skills so they can support themselves and their community. We support young people all over the world to use their youth power to lead change and tackle challenges they face such as lack of education, unemployment and climate change.
