"Karen and Alice, provide high quality arts education for all ages and abilities with an emphasis on cheeky, flamboyant outcomes parents will want to frame rather than recycle!"

The Art Club at Ashton Gate Primary School began in 2015 by Let's Make Art to provide a multi media arts programme for key stage 1 and 2. Exploring all aspects of making, art literature and history and experimenting with diverse materials and techniques. We value young people as natural artists who have freedom of expression and we aim to create a space that allows for this precious state to flourish and elevate children's art to the status it deserves.

KS1 - ART and LITERATURE - YR 2 - TUESDAYS TILL 4.30PM

TERM 1 - 6 WEEKS - 14/9/21 to 19/10/21 - £51.00

At the beginning of each session we read a story together with a drink and snack. By using art as an early form of communication, children develop skills that will enhance expression with their writing and show their ideas in a visual sense. Every week we will choose a different children's book as the starting point and introduce an art activity based around the themes in the story.

Activities include; paper mâché, collage, drawing, collaborative painting, watercolour pencils, printmaking, stitching, sculpture, clay work, cyanotypes, puppet making and more.

Please go to our box office link for more information and to book your child's place.
