### 1. Rationale and Aims

This policy aims to ensure that:

- Suitable education is arranged for pupils on roll who cannot attend school due to health needs
- Pupils, staff and parents understand what the School is responsible for when this education is being provided by the local authority

### 2. Legislation and guidance

This policy reflects the requirements of the [Education Act 1996](#).

It is also based on guidance provided by our local authority.

### 3. The responsibilities of the School

#### 3.1 If the School makes arrangements

Initially, the school will attempt to make arrangements to deliver suitable education for children with health needs who cannot attend school.

- The Assistant Head will communicate with the family and coordinate work with class teachers.
- Online work will be provided as an immediate response and where IT access is an issue work packs will be collected and handed to the family.
- The Assistant Head will liaise with the family regarding a student completing work if they are hospitalised and establish if the hospital is providing access to their education provision.
- The Pastoral team which could include; the Assistant Head, SENDCO, Assistant SENDCO or class teacher will maintain weekly contact.

- When a student is ready to be re-integrated back to school a review meeting will be set up to discuss a Health Care Plan and review any amendments to the timetable.
- If attendance falls below 90%, the school will consult with the family and if needed, the council, to support the family.

### **3.2 If the local authority makes arrangements**

If the School can't make suitable arrangements, Bristol City Council will become responsible for arranging suitable education for these children.

- On receipt of medical evidence, suggesting a child is too unwell to attend school from a consultant, the school will refer to Bristol Hospital Education Service. The school will then work with BHES to set up an Individual Support Plan (ISP.)

#### **In cases where the local authority makes arrangements, the School will:**

- Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the pupil
- Share information with the local authority and relevant health services as required
- Help make sure that the provision offered to the pupil is as effective as possible and that the child can be reintegrated back into School successfully

#### **When reintegration is anticipated, work with the local authority to:**

- Plan for consistent provision during and after the period of education outside the Academy, allowing the pupil to access the same curriculum and materials that they would have used in School as far as possible
- Enable the pupil to stay in touch with School life (e.g. through newsletters, emails, invitations to School events or internet links to lessons from their School)
- Create individually tailored reintegration plans for each child returning to School
- Consider whether any reasonable adjustments need to be made

## **4. Monitoring arrangements**

This policy will be reviewed annually by the Executive Headteacher. At every review, it will be approved by the full governing board.
