

Year 3 Term 5 - Homework

Homework is due Monday 20th May.

In history this term, we are learning Ancient Greece. We would like you to research an aspect of Ancient Greek life and prepare a poster, model or presentation about it. You can be as creative as you like with how you present your work. Here are some suggested topics but you are welcome to choose another:

- Greek myths
- The olympics
- City states like Athens or Sparta
- Greek architecture
- Art/music
- Famous Greeks
- Language

Please contact the class teacher if you need any support with this.

Maths

We will be learning all about time during the first half of the term. Please support your child to practise telling the time day to day. There are lots of online Maths games and resources which can support learning to tell the time.

www.topmarks.co.uk has a great section to choose from. As normal, please continue to practise your timetables.

Reading

Please continue to do lots of reading at home and record this in your reading record. Try to remember the books that you enjoy so you can recommend them to your friends! Reading Eggs is also a great resource for practising reading skills. Once again, if you need a copy of your login details please ask your class teacher.

Spellings

Every week you will have a spelling task to complete on Spelling Shed based on the spellings you have been learning in school. Please make sure this is done every week! Please speak to your teacher if you need another copy of your login details or need any support with this.
